BIDS FOR HAULING ARE FROM JULY 1, 2014 THROUGH DECEMBER 31, 2014.

All Freight Rates will be figured based upon the Fuel Price of **\$3.921** as found on the U.S. Energy Information Administration website, Midwest Area - www.eia.gov/petroleum/gasdiesel/, information released on **May 12, 2014** as the Base Rate. Fuel surcharge will be computed as of the 1st Tuesday of each month. For every \$.10 per gallon rise, the rate will be increased by 2%.

****Please Note:** If the vendor listed cannot deliver product needed, please call this office for the name of the next 'low' vendor on bid sheets. If there is no bid, you will need to get 3 quotes from different vendors before purchasing. (Make sure to document all contacts when doing this.)
