

CUSTER COUNTY LOCAL EMERGENCY PLANNING COMMITTEE PROCEEDINGS

October 21st, 2026

Custer County LEPC met in regular session at the Weatherford EOC, 1605 N Airport Rd., Weatherford, OK. The meeting was called to order by Hardy Sperle, LEPC Chairman at 10:00am. Sign in sheets were placed at the entrance to the meeting for all to sign.

Mr. Sperle gave updates regarding the recent rain event that caused damages to county roads, District 2 closed approximately 6.5 miles. He is continuing damage assessments with the other districts. Hardy also gave an update on his new email address which is hardy.sperle@custercountyok.gov

Mr. Sperle asked for any partner updates: Cheyenne-Arapaho Emergency Management recently completed their CERT class that was held this summer, they plan to host another CERT class in Clinton this next year. Energy Transfer has been hosting tabletop exercises at their gas plants in Custer County, Mr. Sperle stated that he and the fire departments has attended these as well.

Mr. Sperle asked for and upcoming training opportunities. Training he is aware of: the Homeland Security Conference will be held October 27-29 at Metro Tech's Springlake campus in Oklahoma City. There will be a G191 EOC/ICS Interface class held at the Weatherford EOC on December 1st, it is a one day class. Mr. Jim Shelton, Blaine County Emergency Management, stated that there will be a Part 107 drone prep course hosted by Logan County Emergency Management on December 10-11 and December 14-15 at the Edmond Fire Department.

Seth Davis with Plains Pipeline gave a presentation on their operations within Custer County regarding location of their pipeline, emergency response, and one-call requirements.

There was no unforeseen business.

The meeting was adjourned at 10:30am

Hardy Sperle LEPC Chair

The meeting dates for 2026 are as follows: January 14th (special), April 15th, July 15th, and October 21st. If you cannot attend, please send a representative.
