The Board of Custer County Commissioners did, by Resolution No. 2014-02-10A, establish the Custer County Rural Fire Truck and Equipment Use Tax Fund. The intent of this fund was to provide a stable revenue stream to purchase trucks and equipment for rural fire service in Custer County. The primary source for this fund was allocated but not limited to the Use Sales Tax receipts. The Board of Commissioners reserved the right to deposit funds from other sources they deem appropriate.

Beginning each July 1, 2019 monthly deposits from the Oklahoma Tax Commission resulting from Use Tax receipts shall be appropriated to the Custer County Rural Fire Truck Use Tax Fund limited to a maximum of \$110,000.00 for each Fiscal Year as the funds remain available.

The Board of County Commissioners determines that for simplification of accounting, when the Use Tax collections reaches the maximum amount of \$110,000.00, a purchase order will be written from the Custer County Rural Fire Truck Use Tax Fund to the respective Fire Department's Sales Tax Capital Outlay. Said amount will be utilized by the Fire Department for the purchase of fire trucks and equipment attaching to the fire truck and will be documented on the purchase order that funding was provided through the Custer County Rural Fire Truck Use Tax Fund.

The Custer County Fire Departments will be in the following rotation – Weatherford, Arapaho, Butler, Thomas, Custer City and Clinton beginning FY 2022.

The Board of County Commissioners adopts this Resolution and reserves the right to change this Resolution as deemed necessary.

ADOPTED this 3rd day of May, 2021.

Vote: Lyle K. Miller, Aye; Wade Anders, Aye; Bruce Walker, Aye.

No action was taken on agenda item – any unforeseen business. None presented.

Motion was made by Bruce Walker and seconded by Wade Anders to adjourn. Vote: Lyle K. Miller, Aye; Wade Anders, Aye; Bruce Walker, Aye.

WHEREAS, each year, the nation's underground utility infrastructure is jeopardized by unintentional damage by those who fail to call 811 to have underground lines located prior to digging. Undesired consequences such as service interruption, damage to the environment and personal injury and even death are the potential results; and

WHEREAS, the Common Ground Alliance and its 1700 members promote the national Call-Before-You-Dig number, 811, in an effort to reduce these damages. Designated by the FCC in 2005, 811 provides potential excavators and homeowners a simple number to reach their local One Call Center to request utility line locations at the intended dig site; and

WHEREAS, through education of safe digging practices, excavators and homeowners can save time and money keeping our nation safe and connected by making a simple call to 811 in advance of any digging project; waiting the required amount of time; respecting the marked lines by maintaining visual definition throughout the course of the excavation; and finally, digging with care around the marks; and

WHEREAS, all parties agree that safe digging is a share responsibility. To know what's below, call 811 before you dig.

THEREFORE, the Board of County Commissioners of Custer County, Oklahoma hereby proclaims the month of April, 2021, as,

NATIONAL SAFE DIGGING MONTH

And encourage excavators and homeowners throughout the country to always call 811 before digging. Safe digging is no accident.
