

RESOLUTION NO. 2023-03-06A

WHEREAS, Custer County has jurisdiction over and maintains roads which are designated for county usage.

WHEREAS, certain roads within Custer County lying on the north side of Foss Lake provide public access to the lake from four different areas.

WHEREAS, applicable roads are listed as: N2130 from HWY 33 to EW990, four miles; E980 from N2120 to N2130, one mile; E990 from N2150 to HWY 44, 1.5 miles. Said roads are at least 20 years old, machine laid with hot mix asphalt. Said roads have a solid base, but are developing horizontal and longitudinal cracks.

WHEREAS, Custer County District 3 will utilize a process of using a special blend of emulsion oil and drag broom that pushes oil down deep into cracks and seals them off. District 3 will apply 3/8" granite chips. In the fall, a fog coat will be applied over the chips resulting in a driving surface that compares to a hot mix road. District 3 will provide preliminary dirt work, all labor and equipment.

WHEREAS, Custer County will be applying for funding in the amount of \$178,878.15 from the Lake and Recreational Access Road Program for this resurfacing project. Custer County will have the authority to sign any agreements with Oklahoma Department of Transportation for this project. At completion of the project, Custer County will have jurisdiction over and shall maintain these roads.

ADOPTED AND APPROVED this 6th day of March, 2023.
